

# Lab 6: Simple Photo Gallery

## Submission

Upload to SCF by 4:50pm on Thursday, 02/20. Do not modify any files after the deadline.

## Overview

For this lab you will practice compound CSS selectors and pseudo-classes by creating a simple photo gallery.

## Requirements

1. Create `lab_06` directory on your SCF account within `public_html/itp104` directory.
  - a. Upload all lab files to `lab_06` directory.
  - b. Link the lab on your Student Page
2. A photo gallery on a topic of your choice (your interests, hobbies, etc.).
3. You can arrange images in any layout you want (horizontal, vertical, scattered).
4. At least five (5) images each with different captions.
  - a. All captions should be hidden by default.
5. When user hovers over an image, display caption belonging to that image.
  - a. Caption can be either below the image, above it, or next to it.
6. Use at least one (1) compound CSS selector.

## Example

*Note: This example does not necessarily guarantee full credit.*

# Food

## Image Gallery

Avocado Toast

# Sights of Australia

Sydney Opera House
